

Welcome to the PHC DL program! We are excited to have you as a student!

Each semester, the PHC Bookstore posts the Textbook Price List the PHC Student Portal one month before classes begin. The List remains on the Student Portal through the end of Drop/Add.

We offer extremely competitive pricing on all current textbooks. To purchase your course materials from the PHC Bookstore at our special prices, email us at bookstore@phc.edu. Please send us the following information:

1. The books you would like to order, or a list of classes if you would like all of your books.
2. Whether you prefer used or new books, depending on availability.
3. Your address so we can give you a shipping estimate. We usually ship media mail.
4. A phone number where you may be reached during our business hours.
5. Your availability during our business hours.

You may also purchase textbooks from other sources. Make sure you buy the correct item by checking that its ISBN number – the 13-digit number beginning with 978... - matches the number of the book on the price list.

Best wishes for a fruitful semester!

Blessings in Christ,
The PHC Bookstore Team
